# Trails Scavenger Hunt

## Veterans Park

- Blue Trail - find two motorbikes up in the trees
- Yellow Trail - find 'Table Rock'
- Red Trail (under construction) -
  - find 'Turtle Rock'
  - find a shelter built out of rocks
- Green Trail -
  - Find a big boulder, by itself, called 'Champion Rock'
  - Find the Picnic Grove, and the giant rock outcropping
  - Find the silver birch tree grove
  - Find the old line of sugar maple trees

## Ledgewood Park

- Yellow Trail - find the Morris Canal turbine
  - Find the Morris Canal bed, or prism
  - Find the giant rock outcropping, one huge boulder with a crack through the middle
- Blue Trail - find the fenced-in opening to an old mine
  - Find a nurse log (a dead tree with other trees growing out of it)

## Black River Park

- Yellow Trail - find a swan
  - find the hill that was a ski lift
  - find the line of cedars which shaded horses when the spot was a dude ranch
  - find the old tennis courts

### Rules:

- Have fun!!
- Take a pic of what you find, and send the link to [www.hikeroxbury.org](http://www.hikeroxbury.org)
- We will choose our favorite pics to post on the website
- Most important... get out on the **trails!**

## Orben Park's Ice Age Trail

- Yellow Trail - find the tree that grew out of a tire
  - Find a tree bigger in size than three 3 people's connected arms

## Horseshoe Lake's West Morris Greenway Trail

- Find a sign that is almost swallowed up by the tree it's nailed to
- Find an animal track
- Find a rock bigger than your fist
